

WE MAKE A DIFFERENCE

OUR PASSION

Great companies are built with the passion to make a difference.

Michael Page was founded on this simple principle in 1976. In the years that have followed we have grown to become the global leader in professional recruitment.

We make a difference by bringing the world's best employers and brightest professionals together. And that's something worth being passionate about.

“ Our philosophy is simple and has been consistent around the world for over 30 years. We provide our clients with the talented professionals they need to achieve their objectives. ”

MICHAEL PAGE INTERNATIONAL

GLOBAL BRAND STRENGTH

The Michael Page brand is amongst the most widely recognised in the professional recruitment industry. Our global strength allows us to think and act beyond the boundaries of our location and business disciplines. When combined with our boutique-level understanding of local markets, we have the ability to source the brightest and most appropriate professionals for your business.

A REPUTATION FOR EXCELLENCE

Personal referrals are our largest source of introductions and the majority of candidates register with us as a result of a referral or previous contact. This is a testament to the high level of professionalism and service that has established Michael Page as a market leader in the professional recruitment sector.

OVERVIEW

Opening offices in Australia in 1985, Michael Page has since cemented its position as a leading professional recruiter. Michael Page Engineering & Manufacturing is a specialist business line with a team of experienced consultants who focus solely on recruiting for this sector.

Our success is founded on a thorough understanding of the engineering and manufacturing market in Australia, the stability of our management team and our ability to fully understand and exceed customer expectations.

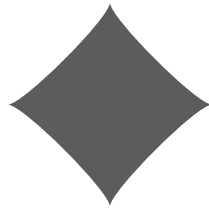

SPECIALISTS IN THE FIELD

When you make the decision to work with Michael Page, you can rest assured you are dealing with someone who understands. Unlike many other recruitment firms, our consultants are specialists in the fields for which they recruit. Many have worked in the engineering, resources or manufacturing sectors prior to joining Michael Page. This translates into more successful outcomes because we fully understand the skills and experience a candidate needs to fit into your organisation.

RECRUITMENT WITHOUT COMMISSION

In a unique approach within the recruitment industry, our consultants do not work on commission. Our consultants are salaried professionals and are awarded bonus payments based on team performance. This encourages teamwork and better outcomes because opportunities are shared around the entire team rather than being retained for the possibility of individual commission.

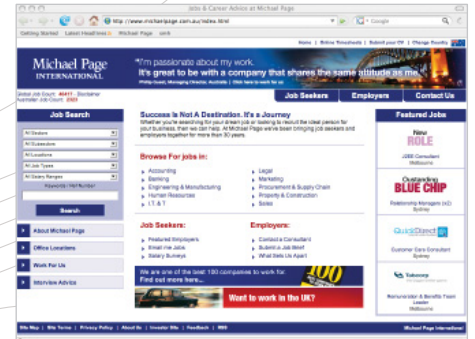

POWERFUL SOURCING SOLUTIONS

DATABASE

Michael Page offers one of the most extensive and accurate candidate databases in the Asia Pacific region. To ensure only the most suitable professionals are presented to our clients, candidates are only registered on the database once they have been interviewed and screened by a Michael Page consultant. All information is updated on a regular basis to ensure accuracy.

PRINT ADVERTISING

As one of the largest recruitment advertisers in the Asia Pacific region, we are able to secure prime media positioning which in turn ensures maximum response. This continued investment in media advertising has proven extremely effective in attracting high calibre candidates.

Senior Project Manager

No need to travel overseas or seek out opportunities in the west because diversified manufacturing companies do not come any bigger than this! With revenues exceeding AUD\$2 billion a year generated from operations across Australia, Asia and New Zealand there has never been a better time to join this Australian icon.

Melbourne Based ♦ Circa \$200,000 Package

Due to a forecast in market growth our client is seeking a Senior Project Manager to drive the delivery of a AUD\$130 million capital project. This will include the erection of new buildings, site facilities and installation of conveyor systems and other production related equipment. Co-ordinating and supervising design, installation and operational interfaces while managing project safety, quality, schedule and budget are key to this role.

The successful candidate will have significant project management experience, ideally in implementing civil and mechanical works in a manufacturing environment. Experience gained from mining, construction or FMCG industries will be highly regarded. A demonstrated record of successfully delivering AUD\$50 million plus projects through self drive to resolve issues while setting and achieving standards of performance will ensure success. Paid hourly, this role has a forecasted duration of 30-36 months and includes an attractive loyalty bonus.
